

## Removed Gall Stones Without An Operation

Simple Remedy Brought Relief  
After Doctors Said Knife  
Was the Only Way

Mrs. Mary E. Franse, of West Point, Neb., is firmly convinced, through her own experience, that stomach trouble and gall stones can be effectively treated and permanently relieved without an operation. In a letter to the Pinus Laboratories Mrs. Franse says: "Ten years ago I was about to undergo an operation for gall stones when I heard of your treatment. Dreading an operation above everything, I determined to at least try Fruitola and Traxo, and have never been sorry I did as I have not been troubled with gall stones since."

Fruitola and Traxo are compounded from the original Edsall formulas at the Pinus Laboratories in Monticello, Ill., and can be purchased of Benson, Smith & Co., wholesale distributors; a doctor's prescription is not necessary. Fruitola is a pure fruit salt that acts as an intestinal lubricant, and disintegrates the hardened particles that cause so much suffering, discharging the accumulated waste, to the sufferer's intense relief. One dose is usually sufficient to indicate its efficacy. Traxo is a tonic-alternative that is most effective to rebuild and restore the weakened, run-down system.

A booklet of special interest to those who suffer with stomach trouble can be obtained by writing to the Pinus Laboratories, Monticello, Illinois.

### SCOUTS SELL OVER \$54,750 WORTH OF BONDS

The scouts of Honolulu have sold \$54,750 worth of Liberty Bonds, which has proven the good salesmanship of the boys. Scout Ezra Crane of Troop IX sold the largest number of bonds in town.

The following list of scouts are those who will receive the honor of possessing a war service medal:

Ezra Crane, Troop IX, 65 bonds, amounting to \$5,800; Guy Gitt, Troop VIII, 39 bonds, amounting to \$3,900; R. Duncan, Veteran Scout, 57 bonds, amounting to \$1,800; Montgomery Clark, Troop IV, 33 bonds, amounting to \$5,700; Alatau Wilder, Troop I, 18 bonds, amounting to \$1,800; Walker Matheson, Troop IV, 14 bonds, amounting to \$1,100; Herbert Richards, Troop IV, 16 bonds, amounting to \$4,900; Wah So Ching, Troop III, 16 bonds, amounting to \$1,850; O. Schoening, Troop I, 15 bonds, amounting to \$1,350; E. SCOUTS COMMENDED FOR PROMOTING LIBERTY LOAN.

The treasury department authorizes the following:

Reference has heretofore been made to the splendid work done by the Boy Scouts of America in promoting the sale of the first issue of Liberty Loan Bonds. Though possibly many other subscriptions were indirectly induced by their efforts, it has been carefully figured out that subscriptions aggregating some \$23,000,000 were taken in by the Boy Scouts, representing 152,000 individual subscribers.

Seven thousand six hundred and eighty-six Boy Scouts of America earned the war-service emblem by selling 10 or more Liberty Loan Bonds and will receive in time the badges of honor.

The Boy Scout holding the highest record for bonds sold is Fred Shelton of Troop I, Mayfield, Ky., who sold 324 Liberty Loan Bonds, aggregating \$24,750. He is a farmer boy, and obtained subscriptions for the bonds in the neighborhood of his home.

The patriotism and efficiency of the Boy Scouts will be utilized to the greatest extent possible in the second Liberty Loan campaign. It is an inspiring thing to see the boys of America actuated by a great national feeling rendering great national service. They are the citizens of tomorrow, and their tomorrow must see the world safe for democracy. In aiding the sale of Liberty Loan Bonds they are performing their part to that great end.

President Wilson has just issued a letter commending the work of the Boy Scouts in the last Liberty Loan campaign, and wishing them greatest success in the coming one.

The President will present, it is announced, a United States flag to the Boy Scout troop selling the largest amount of Liberty Loan Bonds of the second class.

SCOUT EXECUTIVE VISITS.

As Troop VIII has no scout master, Scout Executive R. N. Burnham helped to conduct their meeting of last Friday evening. He announced to the scouts that he hoped to have an able and permanent scoutmaster by next Friday evening. He later explained a way for mobilizing so that the scouts could be called out in short notice. After this it was agreed by the patrol leaders to hold at least one meeting during the week to practise knot tying for a contest which will take place at the next meeting.

TROOP IV.

The members of Troop IV held a regular meeting last Friday evening during which the scouts were taught subjects which all scouts should know in order to attain the rank of Tenderfoot, Second Class and First Class.

The troop as a whole has organized a first aid class which will have a meeting of instruction during this week. Scouts Lennox and Peterson passed the requirements in cooking for the rank of Second Class.

TROOP XX

Meeting was called to order at 7:30 sharp. Most of the time was spent in discussing the troop's coming show November 16 and 17. This show is going to be something worth seeing. The admission will be 25 cents as the troop is "in the hole" for quite a sum.

Important! Every boy report in full uniform Friday, 7:30 sharp.

SAYS ACID STOMACHS  
NEED MAGNESIA

Doctor Calls Bisurated Magnesia Safest, Quickest and Most Effective Acid Stomach Corrective.

The almost universal use of magnesia by physicians and specialists in the treatment of stomach troubles, is due to the fact that it stops food fermentation and neutralizes the acid—the direct cause of nearly all stomach troubles. Of the many forms of magnesia such as oxides, citrates, carbonates, sulphates, etc., the most suitable and efficient, and the one prescribed by leading specialists is bisurated magnesia, a teaspoonful of which in a little warm water immediately after eating will instantly neutralize the acid, stop fermentation, and thus ensure painless normal digestion. Care should be taken to get bisurated magnesia, as its action is infinitely more effective. It is also, by the way, usually stocked by druggists in convenient compressed tablets as well as in the ordinary powder form. Stomach sufferers and dyspeptics who follow this plan and avoid the use of pepsin, charcoal, soda salts, drugs and medicines are invariably astonished to find that the stomach, relieved of the irritating acid and gas, soon regains its normal tone, and can do its work alone without the doubtful aid of artificial digestants.—Adv.

## AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns  
Gray, Faded Hair Dark  
and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old time recipe improved by the addition of other ingredients for about 50 cents. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.
